Sales Tip

Past customers have many things to teach us! Make sure you are keeping an updated database of previous customers.

Past customers provide the opportunity to:

- Recommend other

- customers
- Purchase other items
- Receive product feedback
- Gain industry knowledge, news and trends

Always remember: past custom-

ers are valuable resources, so make sure to keep lines of communication open.

Is your voicemail set up professionally?

- > State name and company clearly.
- > Give time frame you will return the call by.
- > Ask for specifics:
 - Name
 - Return Number
 - Short Request
- > Thank them for the call.
